**Everyone Welcome**

Jesus encouraged us to pray, both on our own and together. This is an opportunity to set aside time to pray for God's work particularly in the Parish of Heworth but also including our families and friends, and His work worldwide.

A day of prayer has been arranged for Saturday 25<sup>th</sup> February

From 10am until lunchtime, there will be half hour slots, where someone will lead, using suitable songs and readings, and outlining themes for prayer. We will then pray as a group.

The following is an outline; further ideas will be given on the day.

10.00am to 10.30am Praise and Worship

10.30am to 11.00am Prayer for the regular services of the Parish based on Holy Trinity and St Wulstan

11.00am to 11.15am Coffee

11.15am to 11.45am The community we are part of

11.45am to 12.15pm People, in our churches, families and further afield.

During the afternoon the church will remain open for personal reflection and prayer. There will be sheets with prayer topics in the church for those who come during the afternoon.

If you are able to come for part of the time, please simply come and go as you are able

Children are welcome. During the morning we will have prayer activities for children. Volunteers are needed to help with this.
